

CRYSTAL HARVEST
INTL

HIMALAYAN PINK SALT

From the Salt Range. Prepared for the world.

Premium edible salt, private-label packaging and commercial supply from Pakistan.

COMPANY PROFILE • PRODUCT CATALOGUE • 2026

crystalharvest-intl.com

Built for serious B2B supply

Crystal Harvest Intl is a Pakistan-based SMC-Private Limited company focused on bringing Himalayan pink salt from the Khewra Salt Range to international buyers. Our core offer is edible salt for distributors, wholesalers, retailers, food-service suppliers and private-label partners.

We coordinate sourcing and refining near the origin, then manage filling, sealing, labelling, export preparation and container dispatch through Karachi. Every enquiry is handled against the buyer's required grade, grain size, pack format, documentation and destination.

OUR FOCUS

Edible salt first.
Private label ready.
Container minded.

ORIGIN

Khewra, Punjab, Pakistan

OPERATIONS

Karachi packaging & export preparation

PRIMARY MARKET

International B2B buyers

SUPPLY FORMATS

Retail, food-service and bulk

Khewra to Karachi to the world

A clear operating chain - from mineral origin to export-ready shipment.

ORIGIN TRACEABILITY

GRAIN-SIZE CONTROL

PRIVATE LABEL

EXPORT DOCUMENTATION

01

SOURCE

Himalayan pink salt sourced from the Khewra Salt Range in Punjab.

02

PROCESS

Washing, refining, grading and grain-size preparation near the source.

03

PACK

Karachi filling, sealing, labelling, carton packing and pallet preparation.

04

EXPORT

Container loading and dispatch through port to the buyer's destination.

Edible Himalayan pink salt

AVAILABLE PROFILES

1

FINE

For table salt, seasoning blends, bakery and retail refill formats.

2

COARSE

For grinders, culinary finishing, food-service and retail packs.

3

DARK PINK

A deeper natural mineral colour profile, subject to batch availability.

4

CUSTOM GRADES

Grain-size targets and screening can be discussed against buyer specifications.

Food-grade specifications and COA requirements are confirmed per order.

Packaging that fits your channel

01

PET JARS

Clear food-grade PET jars with caps, seals and label application.

TYPICAL RANGE

100 g • 200 g • 500 g • 1 kg

02

POUCHES

Stand-up or pillow-pouch formats, subject to specification and volume.

TYPICAL RANGE

Retail and food-service sizes

03

BAGS

Commercial bags for distributors, processors and food-service buyers.

TYPICAL RANGE

2 kg • 5 kg • 25 kg

04

BULK

Bulk supply for repacking, ingredient use or private-label operations.

TYPICAL RANGE

Format confirmed per order

Custom pack sizes, carton counts and label specifications are developed against the buyer brief.

Your market. Your label.

Crystal Harvest Intl supports unbranded and private-label supply. The buyer's brand remains front and centre; our role is to coordinate a compliant, production-ready pack specification.

- 1 BRIEF** Destination, channel, pack size, grain, quantity and target position.
- 2 SPEC** Packaging material, closures, seals, labels, cartons and documentation.
- 3 APPROVAL** Artwork review, sampling and specification confirmation.
- 4 PRODUCTION** Filling, sealing, labelling, quality checks and carton packing.
- 5 DISPATCH** Palletized or floor-loaded container shipment through Karachi.

BUYER INPUTS

- Brand / artwork
- Target market
- Pack format & size
- Units / cartons
- Container preference
- Required documents

Documentation buyers can verify

Documentation is matched to the product, shipment and destination. Copies, scope and validity details are shared during buyer qualification and order documentation.

HALAL

Documentation available

ISO

Management-system documentation

HACCP

Food-safety documentation

Natural and illuminated salt products

Himalayan salt urns are individually hand - crafted by skilled artisans from solid blocks of Himalayan rock salt. These urns will dissolve within 4 hours when placed in water. Handmade from natural materials (just salt) and 100% biodegradable. Himalayan rock salt biodegradable urn is made of a completely natural material, salt that is quite sturdy and substantial until placed in water where it will dissolve within a few hours.

Salt pillows and wellness applications

Himalayan Salt Pillows

Himalayan crystal salts inside the therapy pillow have been used for centuries to improve skin conditions, alleviate breathing ailments, and strengthen the immune system. They are completely natural and have no harmful side effects. Pillows can be used an infinite number of times because the salts inside never lose their healing power, which makes the pillow an economical choice for natural pain relief. Therapy pillow can be used either hot or cold for two different effects. The therapy pillow is covered with a removable, washable casing which protects the pillow from dirt, oil, and residue.

Himalayan Animal Licking Salt

Offering Best Himalayan Mineral Salt for your Animals

A 550 million old Himalayan Rock Salt for Animals, Mined from ancient Himalayan Mountains of Pakistan, And These Salt Licks must be the purest form of salt available. The distinctive pink color comes from the salts mineral content Such as Iron, potassium and magnesium, which are vital for maintaining health of Cows/sheep/goats horses, all have a very well defined appetite for sodium chloride (SALT) only surpassed by the need for water. Because the majorities of plants do not provide sufficient sodium for the livestock/horses needs and may lack adequate chloride, salt supplementation is a vital part of any animal's nutritional requirement

Commercial and industrial salt reference

Rock Salt For Commercial And Industrial Uses

RSC : 01

Oil Refinery grade salt ,Rock Salt for Meraux units for sweetening of Jet fuel
Over the past decade the use of expandable concentric under reamers or "whole openers" in Deep water drilling has become widespread. An estimated 75% of the salt/sub Salt sections in the Go now use under reamers. There are various reasons to Enlarge a hole, including enhancing equivalent circulating density, to reduce Cementing pressures, and to counter salt creep so casing will reach bottom.
Under reamers are especially important in deep water wells that require Numerous casing strings

RSC : 02

Deicing salt / Road salt 2 – 10 mm High purity salt
When applied to snow or ice, salt lowers the melting point of the Mixture. Thus, large amounts are used in Northern climates to rid streets of Accumulated snow and ice

RSC : 03

Salt for water softening Water softener salt
pure salt and a typical of 99.8% sodium chloride, virtually 100% water soluble, helps eliminate brine tank clean out necessitated by Insoluble material

RSC : 04

Salt for Brine Solutions
greatest single use for salt is as a feedstock for the Production of chemicals, the color-alkali industry uses salt primarily as salt in Brine from captive brine wells to produce chlorine and caustic soda
